ADENTA COMMUNITY SCHOOL OUTREACH

Safer online. *Brighter futures.*

A day of cybersecurity education for more than 200 students — made possible by the generosity of our sponsors.

Date
21 July 2026

Location
Adenta Community School, Accra

Prepared for
Our sponsors & future partners

A NOTE OF THANKS

One day, many hands — and a lot of full hearts.

On 21 July 2026, Luxe Foundation spent the day at Adenta Community School with more than 200 students and a team of over 20 volunteers. Our goal was simple: help the young students stay safe online, understand the risks of the digital world, and see that a career in cybersecurity is open to them.

None of it would have happened the way it did without our sponsors. Volunteers and teachers were fed, everyone stayed hydrated under the sun, the school's ICT lab gained new computers, and classrooms received fresh stationery.

This report shares what we did together and what each contribution made possible. To every sponsor: thank you. You turned a lesson into a day these students will remember.

200+ students reached	**20+** volunteers on the ground	**3** cybersecurity topics taught
60+ meals for volunteers & teachers	**300+** stationery items donated	**3** desktop computers for the ICT lab

Hands up — students answering questions during the online safety session.

THE OUTREACH

What we taught

Volunteers moved classroom to classroom, keeping sessions practical and conversational so every student could take something home.

01

Online safety

Protecting personal information, recognising strangers and scams, and knowing who to tell when something feels wrong.

02

Cybersecurity awareness

Strong passwords, phishing, and safe habits on shared and personal devices.

03

Career pathways

Showing students the roles, skills and routes into cybersecurity — and that they can start learning now.

A full classroom during the cybersecurity awareness session.

SPONSOR SPOTLIGHT

Pizzaman Chickenman *kept our team going.*

Volunteers and teachers with the meals provided by Pizzaman Chickenman.

60+

meals for volunteers and teachers

Running sessions for 200+ students is a full day of standing, teaching and moving between classrooms. Pizzaman Chickenman provided more than 60 meals for the volunteers serving on the day and for the school's teachers.

That meant nobody had to step away to find food or run on empty. Our team stayed fed, focused and energetic from the first session to the last, and the teachers who opened their classrooms to us were looked after too.

Every lesson delivered that day was powered, in part, by their generosity. Thank you, Pizzaman Chickenman, for caring for the people who care for our students.

OUR SPONSORS

What each partner gave — and what it made possible

Peeva Beverages

Provided: mineral water and carbonated drinks.

Impact: kept students, teachers and volunteers hydrated and refreshed through a long, hot day.

Peeva Veeva

Provided: Veeva strawberry drinks.

Impact: kept the students refreshed and smiling — a treat that brought real excitement to the day.

Mador Enterprise

Provided: 3 desktop computers for the school's ICT lab.

Impact: gives students hands-on access to technology long after the outreach — strengthening tech education at the school.

Bluetree Enterprise

Provided: 300+ stationery items — pens, pencils, maths sets, erasers, chalk, highlighters and dusters.

Impact: equips students and teachers with everyday learning tools for the classroom.

WITH GRATITUDE

Thank you to the partners who *showed up for Adenta.*
